

Interested in Becoming a DreamCatchers Hospice Partner?

We're so excited to work with you to fulfill the end of life Dreams of your patients.

Our Mission:

DreamCatchers creates powerful connections for younger and older generations by empowering students and their local communities to fulfill the end-of-life dreams of hospice patients.

How does DreamCatchers work?

-  A hospice expresses interest in partnering with DreamCatchers.
-  DreamCatchers facilitates a connection between the hospice and a DreamCatchers' Chapter (students/local community), who will fundraise for and fulfill the Dream.
-  The hospice identifies a patient with a Dream to be fulfilled.
-  The DreamCatchers' Chapter fundraises, plans, and fulfills the patient's Dream
