

MAKE YOUR PATIENTS' END-OF-LIFE DREAMS COME TRUE!

DreamCatchers Foundation is a nonprofit that makes hospice patients' end-of-life Dreams come true!

DreamCatchers Foundation Mission: to empower students and their local communities to fulfill the end-of-life Dreams of hospice patients and create powerful connections for younger and older generations.

Partner with DreamCatchers today to support your patients' end-of-life Dreams and be a part of bridging the generational gaps in your community.

HOW IT WORKS:

1. Reach out to inquire about a partnership with DreamCatchers
2. Partner with a local student Chapter, or support one getting started if one does not yet exist in your community. (We can help you identify a suitable student Chapter.)
3. Beam with joy and pride as your patients' Dreams come true!

BENEFITS TO YOUR HOSPICE:

- Provide an additional service for your patients at no cost to you
- Engage high school and college students in your community
- Be a part of creating an intergenerationally connected community
- Receive positive press. Dreams are regularly featured in the news!
